

ALTO WAVE TEACHER DESK COMBO

Creating a functional and comfortable space for instructors is essential in classroom design. The Alto Wave Teacher Desk Combo by SAFFE Furniture is crafted to provide instructors with ultimate flexibility and ergonomic support. The main desk features a pin-clip 'no tools needed' height-adjustment system, ensuring adaptability for any teaching style. The accompanying podium integrates seamlessly with the desk and offers simple pneumatic height adjustment for effortless transitions. Use these pieces together or separately to create a dynamic and customizable teaching environment that meets the needs of every classroom.
