

BEECHWOOD NEWS DESK

Designed for school media programs, the Beechwood Mobile News Desk creates a professional, broadcast-ready workspace for student newscasts, announcements, and projects. With durable all-laminate construction and smooth-rolling heavy-duty casters, this desk moves easily between classrooms or studios—wherever the story leads. We make customization easy—with unlimited laminate choices, dependable USA-made craftsmanship, and faster lead times than most competitors. Every Beechwood Mobile News Desk is built to help schools inspire creativity, collaboration, and pride.
